Volume 16 Issue 2
February 2009

Upcoming plans at Fairbrae for 2009:

- 1) Restrooms and lockers will be renovated.
- 2) Pool deck at shallow end will be paved with non-slip surface.
- 3) Blinds will be added to the large clubhouse windows.
- 4) Considering replacing current clubhouse floor.

WOULD PEOPLE BE INTERESTED IF...

"...we placed two or three stationary bicycles (or stair masters, etc) in the balcony area overlooking the pool this summer?

..we had a special aquatic training exercise program in the deep end with a qualified instructor?

...we had a on-going yoga class in the clubhouse with a qualified instructor?"

Please contact the office or email (Steve@fairbrae.com) with any comments.

NOTICE

Fairbrae is looking for members who are interested in becoming part of next year's Board of Directors. Board members serve a two year term with elections in March. The treasurer (QuickBooks knowledge would be helpful) position will be open as well as others. If you are interested please email the Board president, David Crewe, at Crewe.Fairbrae@sbcglobal.net for more information.

Reminder... The SUNN swim team will once again be practicing at Fairbrae now thru April 17th. They will be utilizing the far 4 lanes from 4-6:45pm Monday-Thursday and from 4-6pm on Fridays. And, as always, there will be lanes available for members' use during these days and times.

Happy Valentines Day from Fairbrae's Staff to you

MEMBER SPOTLIGHT:

Bruce and Susan DaRos have been Fairbrae members since 1999. Their son, Jeffrey, is a freshman at Mitty high school and playing water polo. Jeffrey was one of Fairbrae's finest last year as a gate guard and is training to be a lifeguard this year. Daughter Claire, a junior, is on the Presentation's high school swim team. Claire is also a lifeguard and swim instructor at Fairbrae and a coach for our swim team, the Manta Rays. Bruce works with Headway Technologies as a environmental toxicologist. Bruce has been involved over the years with Fairbrae's swim team as a board member. Susan is a licensing and software contract specialist with Hewlett and Packard.

"I don't understand why Cupid was chosen to represent Valentine's Day. When I think about romance, the last thing on my mind is a short, chubby toddler coming at me with a weapon."
