From new manager Steve Chaney:

Hello, I'm excited about working with Fairbrae's membership in the upcoming year. As for my past, in a nutshell: I recently managed the Laurelwood Cabana Swim club in Santa Clara, served in the U.S Air Force, a graduate from San Jose State, a ventriloquist and I live with my teenage daughter and our blue-eyed Aussi Shepherd, whom you'll meet (the daughter, not the dog). That's my life and I'm looking forward to meeting each of you and hearing your life story in a nutshell.

My top priority is the safety of our members and guests. It is very important to me, not only as manager but as a parent, that every person feels secure in the knowledge that our lifeguards are fully trained and able to react appropriately in an emergency situation. Each guard is qualified with over 40 hours of training and I will have a monthly training program at Fairbrae for our lifeguards so that they will feel confident in their abilities. It is also equally important that swimmers adhere to all safety rules and obey instructions from our lifeguards. I'm also looking forward to planning several special events throughout the year. Some events I'd like to receive feedback and/or interest on are: Holiday parties, Wine Tasting night, food drive, children's movie night/sleepover, Olympic Sports day, Teen Night, Line/Square dancing and various workshops/lectures from our talented members.

Looking forward to a fun and safe summer.
