November 2010

Membership News:

Effective January 1, 2011 member dues will increase from \$82.00 to \$90.00. Dues have remained at \$82.00 for the last four years. The cost increase is largely driven by projected utility costs, staff salaries, and ongoing improvements such as, but not limited to pool resurfacing, outdoor showers, new clubhouse floor and blinds, umbrellas and replacement outdoor tables and future repairs/improvements to facilities structures.

Save:

You can save \$65.00 this year by prepaying your monthly dues in its entirety (\$1,080.00) by January 20th, 2011.

Pool Resurfacing completed:

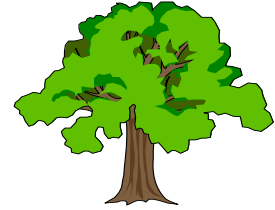

Thank you for your patience during the resurfacing. The life of a plaster pool is roughly 15-18yrs. The work took longer than expected when the work crew found out that they had to go through 3 layers of plaster. The contractor, Padilla Pools, added additional work crews for the extra work with no charge to Fairbrae. The total cost of the work was \$32,000.00 (which included a handrail, underwater light work and special tile work). They came in exactly on budget. A special thank you to Fairbrae's swim team, The Manta Rays, who donated \$5,000.00 for the cost of the resurfacing job.
