As noted on the front page of this newsletter the pool will be closed for two weeks. We are currently in high level talks with other pools to have our lap swimmers continue their conditioning at other venues during this down time. Please contact the office for more information in September. We are trying to fit the work in between the nice swimming weather and before the rains begin.

## **Congratulations to...**

Fairbrae's Swim team, The Manta Rays, for winning the Silicon Valley swimming championship for the 4th consecutive year.
