Volume 18 Issue 2

February 2011

## *Fairbrae now has a new front door key/lock system.*

We are temporarily using a combination to enter the club. We inserted the combination with this month's statement. During the weekend of February 12 and 13 the office will be open from 9:00am until 7:00pm each day so you may stop by and sign out your new keys (each family will receive 2 key fobs). After that time we will disconnect the combination and entrance will be allowed by key fob only. The new system will allow us to have an audit trail of who uses the club and at what time. We will also have the ability to restrict access dates and times to vendors and other people who use the club only on certain days of the week.
