Manager's notes:

- 1) We are repairing some wood rot along the outside base of our clubhouse, work will begin in the next week.
- 2) Our additional water/bottle filling fountain will be installed by the tennis court gate entrance.
- 3) We are currently taking quotes to have the cement repaired around the pool deck.
- 4) Our pool lift is now out on deck per ADA compliance, please talk to your children about not touching, sitting or playing with the lift. If you need to use the lift for pool access please contact the office.
- 5) We have new, larger signs around the club, please take notice as they pertain to rules and regulations concerning everyone's safety.
- 6) We are also adding a shed in the corner of the club over by the tennis courts and diving board. The shed will give us much needed storage for tennis and pool equipment.

Thank you again for a safe summer this past season,
