Swim class for adults...

We are trying to find out if there is an interest in having a swim class for adults in the evening from 7:45pm to 8:45pm three days a week. The class would be taught by a certified instructor and would be for adults who are beginner swimmers to advance but would like to improve their strokes and have fun. There would be a fee for this class. Please reply to this email if you would like to see an adult swim class being made available at Fairbrae.

Manager's notes:

- 1) Fairbrae is now a brighter place. We have changed out our 9 area floodlights to LEDs.
- 2) The wood wall behind the basketball pole has been replaced and strengthened - it's all yours kids!
- 3) We are building a wooden shed outside the tennis courts behind the diving board which will house the tennis ball machine, various tennis and pool equipment.
- 4) Both tennis courts will be re-painted in late March or early April due to some slight scuffing of the courts that is loosening some of the grit.
- 5) Water fountain by the tennis courts should be in place next week, water lines are being installed this week.
