## 2019 ANNUAL DUES SCHEDULE

The Fairbrae financial plan includes periodic increases in dues, and after careful consideration, the Fairbrae Board of Directors has decided to increase dues for 2019 to \$115 per month. This is an increase of \$15 per month from the current rate.

This dues increase is in line with our long term financial reserve study and accounts for increasing costs in operations, including rising utility bills, increase of minimum wage and most significantly upkeep and replacement costs of aging infrastructure.

The club's financial plans include a schedule to increase dues approximately every 4 years. Increases in dues may occur sooner or later than scheduled depending on the financial health of the club.

### 2019 Annual Dues - \$1,380

There are two options for payment for 2019:

**Annual Prepayment:** Fairbrae offers a 6% discount on annual prepayment. Make one easy payment and save \$82.80. Members wishing to take advantage of this discount should submit a check in the amount of into the office by January 31st at 11:59 PM. Members submitting a check after this deadline will be charged the full annual rate of \$1,380.

**Monthly Payment:** Members wishing to pay monthly will pay \$115 via check turned into the office by the 20th of the corresponding month. Accounts failing to pay by the 20th will be assessed a \$10 late charge.

Everybody loves a discount and nobody likes late fees, So pay once and save big, \$82.80 or pay on time and avoid those pesky late fees.
