BOARD ELECTION RESULTS ARE IN!

A big thanks to everyone who showed up to last month's
Annual Member's Meeting.

Congratulations to **Jason Laneve, Haidee Lim, Franz
Mortensen, and Yvonne Wong** as elected Board Members.

A big thank you to **Emil Abelaf, Linda Cleveland** and **Lisa
Schertler** who are all departing the board. They have all given
plenty of time and energy to the club over the past few years.

And a special thanks to **David Cohen** for running this year!

Thank you to everyone, for showing your support for Fairbrae!

SOCIAL COMMITTEE

Now's your chance to give back to the club!

Fairbrae is looking for volunteers for a "Social Committee"
to help generate ideas and assist with running events for the
club! Volunteers would be working with the Club Manager as
well as the Board of Directors to ensure that the Fairbrae event
calendar is packed with fun family events!

SUNDAY BBQ HOSTS

With Summer right around the corner, we are in need of Host Families for this year's Sunday BBQs!

Sunday BBQs are a longstanding Fairbrae tradition! Please take a look at your calendar and see if you have the availability to host this summer! As of right now, all Sundays are open for hosting, outside of our major parties.

Hosts are given a \$400 budget for food, and are given a \$50 guest fee credit for their hard work. Please consider hosting a Sunday BBQ, or make it a group effort and host with friends!

This year we are asking that each Host Family provide a "theme" for their event, so membership knows what to expect! Keep an eye out in the May Filter for this year's BBQ Event Calendar!

As a reminder, Sunday BBQs are meant to supplement your family's meal, so please feel free to bring your own proteins, and throw them on the grill. In addition, the club will provide a limited selection of drinks for your refreshment.

Contact alex@fairbrae.com if you are interested in hosting a BBQ (or two!) this Summer!

APPLICATIONS NOW AVAILABLE!

Fairbrae's busy season is just around the corner, and we're looking for motivated summer staff to apply now!

Applications for **Gateguards**, **Lifeguards** and **Swim Instructors** are now online! Find them at Fairbrae.com/forms/!

We will start processing summer applications April 22nd, with a hard deadline of April 30th at 11:59 PM.

In addition, Fairbrae is hiring a new **Club Assistant**, and is taking applications through the same April 30th deadline. Take a look at the job listing [here](#)!

MEMBERSHIPS STILL AVAILABLE!

Fairbrae still has a few memberships up for sale!

If you know anyone who might be interested, please let them know! Summer is coming fast, and you won't want to miss out on any of our big events!

Contact Club Manager Alex Romanko for more information at alex@fairbrae.com.

CLUB USAGE POLICIES FOR BUSINESS USE

In the midst of rising utility and maintenance costs, membership brought some issues concerning “private business” usage of the club to the Board’s attention. Given the sensitivity of fiscal issues, and keeping the well-being of all membership in mind, the Fairbrae Board of Directors have made some changes to how individuals may “rent” facilities from Fairbrae for personal business use.

The general goal for these policies is to balance Income versus Membership Utility. Facility rentals should benefit membership, while keeping the facilities accessible for general usage.

CLUBHOUSE RENTALS

- Clubhouse rentals for business usage must have approval from the BoD, and will run at a higher rate than the standard clubhouse rental rate
- Business rates begin at 3x standard member rental rate
- Contracts are negotiated on a case-to-case basis, based on member benefit and utilization as well as contract length

TENNIS LESSONS

- Provide a group of Fairbrae approved instructors that provide instruction at Fairbrae
- Instructors to receive weekday blocks in which they are free to instruct anyone
- Instructors receive a below-market hourly rate for these hours
- Members are not restricted to times they receive instruction, and may reserve a court for instruction at any time
- Instructors are to pay market rate court-fees for usage outside of their pre-assigned block

SWIM LESSONS

- Require all swim instructors to pay Fairbrae a nominal fee for pool usage per lesson
- Swim Instructors are required to record their lessons in the Guest Log Book for tracking purposes (for both member and non-member lessons)
- Members are not restricted to times they receive instruction, and lanes are available on a first come, first serve basis
- Instructors may give lessons to non-members, but must do so at non-peak times.
- Instructors are also responsible for paying the standard guest fee for non-members.

These policies are intended to strike a fair balance of club access among all members as well as provide a reasonable framework for the operation of businesses that benefit the membership. As always, we are open to your feedback.

If you have any questions, comments, or concerns please email the Club Manager at alex@fairbrae.com or contact the BoD directly at bod@fairbrae.com. We welcome your feedback, and look forward to hearing from you!
