## SUNN FALL THRU SPRING SCHEDULE

Sunnyvale Swim Club (SUNN) rents out four lanes of our lap pool from September up until the start of Manta Rays season in April.

***SUNN's practices run from 3:45 PM - 8:00 PM Monday through Friday.***

During SUNN practice, there will be two lanes left open for member use. Please plan your visits and workouts accordingly!

**Coach Andy Clifford** is the site-lead for SUNN while their practices are being run. Please don't be afraid to say "hi" to him, and please communicate with either him, or the office, if there are any problems or concerns with SUNN athlete behavior.

## NEW MEMBER SPOTLIGHT!

Introducing a new feature in the Fairbrae Filter, the New Member Spotlight! Please help us in welcoming new members to the club, and if you see these new faces around, please say "Hi!"

### THE ROLDAN FAMILY

Having lived in the neighborhood for 7 years we often wondered what was behind the hedge of Fairbrae Swim & Racquet club so it exciting to see the other side and be part of the Fairbrae community. JP (Dad) grew up in LA so he is well used to beautiful weather & pool life. Anne (Mom) grew up in Ireland so you'll see her swimming during the rain & winter months feeling at right at home. Kieran & Claire go to Cumberland and are excited to see so many friends at the poolside already. Thank you for welcoming us into the Fairbrae community!

If you are new to the club within 2019, and wish to be featured in next month's Filter, please contact  
[office@fairbrae.com](mailto:office@fairbrae.com).

Don't miss the....

# FAIRBRAE FAMILY PUMPKIN CARVING PARTY

# GET CPR CERTIFIED AT FAIRBRAE!

American Heart Association CPR classes are now being offered at Fairbrae!

**AHA Heartsaver CPR AED Training**  
**(\$65 for members/\$75 for non-members)**  
Wednesday, November 13th: 7:00 PM

The AHA Heartsaver class focuses on Adult, Child and Infant CPR, training on AEDs (Automated External Defibrillator) and First Aid for Choking Skills will be offered in both CPR classes.

**American  
Heart  
Association®**

Classes are open to anyone 12 years and older. AHA certificates are available for an additional \$15 and will be emailed to participants who successfully complete all requirements for the specific course within 1 week of course completion. Class will begin promptly so participants must be on time and stay for the entire class. This class is for all community members, boy and girl scouts, coaches, and babysitters.

Participants will learn how to respond to an emergency involving all ages and will include skills needed for infant, children and adults in need of cardiopulmonary resuscitation and first aid for choking. This hands on course includes: practice with infant and adult mannequins, techniques for helping an infant, child and adult with an obstructed airway and practice with an AED (Automated External Defibrillator). Discussion will focus on actions to take in any emergency situation.

If you are a lifeguard, nurse, physician, dentist or other healthcare provider and interested in an American Heart Association Basic Life Support for the Healthcare Provider course, please contact Susie Schmitz prior to class to make arrangements to complete the additional skills and written test. Additional fee required. Susie Schmitz is a Registered Public Health Nurse who has taught CPR for over 7 years and is a former Cardiovascular Surgical Nurse and a Fairbrae Member.

If you have any questions, please email Susie at [jsschmitz@comcast.net](mailto:jsschmitz@comcast.net) or call 408 736 0326.
