HALLOWEEN

PICKLEBALL AT FAIRBRAE

Look out basketball, baseball, and volleyball. There's a new ball game in town. It's called pickleball and it's dill-lightful!

The game was first invented in 1965 by three dads in the United States with bored kids. It slowly made its way to Canada and is now the country's fastest-growing sport.

Come check out Fairbrae's introduction to Pickleball led by member Rick Hamburger, and, our very own tennis instructor, Lynn Troung!

Saturday, December 1st at the Fairbrae Tennis Courts from 2:00 - 5:00 PM

Please bring non-marking tennis shoes and athletic attire. Pickleball equipment will be provided! All levels and ages welcome! Email racquet@fairbrae.com for more info!

WINTER MAINTENANCE UPDATE

Winter is coming, and it is a busy time of year for Fairbrae's maintenance crew. Here's a look at upcoming and completed projects:

- The playground area has been heavily brainstormed and discussed by the board and visiting members. Please be on the lookout for a separate email discussing ideas and soliciting opinions from membership.
- The exterior clubhouse doors are scheduled for replacement. The current doors have heavy dry-rot and are no longer weather-proof.
 - Our Crow's Nest stairway plans were denied at the city permit level. We have received a new bid from a commercial contractor that will hopefully take us to completion from the ground up.
- The main back gate repaired its self-locking mechanism restored to working order.
- Kid's playroom (Foosball Room) has been renovated; new flooring, new coat of paint and walls patched.
 - Main tennis gate welded and repaired.
 - Pool heater scheduled for rebuild on 11/26 and 11/27.
 - Replacement pool cover reel and lane line reel on order.
