## NEW MEMBER SPOTLIGHT!

### THE HAMBLY/KAUFMANN FAMILY

We moved to the neighborhood in the summer of 2019, and a gracious invitation to join the Fairbrae Olympics (proudly representing Hamkaufia), convinced us to become members. Brynn grew up in the Bay Area (if you ever stuck a Hambly Studios sticker somewhere, you bonded with her father's business!). Brynn and John met in Seattle where they were involved with the theatre community. They both went to graduate school at the University of Iowa (John's home state - go Hawks!), then taught at Beloit College in Wisconsin before recently returning to be near family in the Bay Area. John now teaches theatre at Evergreen Valley College in San Jose, and Brynn teaches 5th grade. Hattie is 8, and loves gymnastics and Broadway musicals. Arlo is 5 and loves Dog Man comics and drawing. We all look forward to swimming, ping-ponging and meeting new neighbors at Fairbrae!

## THANK YOU ITALIAN DINERS!

A big thank you to all in attendance for our Wine and Dine Series: Italian Dinner! And a special thank you to Mirtha Bowman and the social committee for getting this event series off to a roaring start in 2020! We look forward to seeing you all at the next one!
